Residential Immersion for Youths & School Groups

"Don't let your progress plateau. Take ownership of your growth and achieve real results with us."

La Maison de Ste Claire offers a complete concept for accelerated eco-language learning and cultural understanding, enables mastery of the French language through total immersion. Eco-language learning develops strong motivation for higher proficiency in a convivial, environmentally friendly atmosphere. Simply put, Maison de Ste Claire is education by experience - using French in your daily activities, just as the French do. Designed to be interactive with small teacher to student ratio.

French Workshop at your school or premises

"We come to you."

La Maison de Ste Claire provides an a-la-carte program specified to the group or class requirement as established with your French teacher. All students will receive an interactive e-Book (with audio, video etc) at the completion of the workshop for future revision.

Online French Modules with free weekly group webinars & e-Book Series for Mobile Learning

"La Maison de Ste Claire supports you all the way! Just bring your enthusiasm and curiosity for an accelerated progress." "Save time & money."

Experience independent learning through our educational French material on- and off-line: French Hybrid Online Course with free weekly group webinar (Flipped Class), Live_chat Oral Tuition/Writing, French Webinar & Apple e-Book Series. All interactive with a great design and easy to use for fun in learning. Using the Information and Communication Technologies for Education (ICTC), inclusive of short quizzes and mind maps to aid your learning process. Actualised Mobile Assisted Language Learning for French.

BE PART OF THE MULTILINGUAL FELLOWSHIP

Our Mission: We believe in creating a multilingual World Community for World Peace and the development of spiritual growth.

Our Vision: is to act as a force of good throughout the world. We achieve this goal through education, ecology and ethics, and nurturing our love of humanity and nature, and celebrating the cultural and linguistics diversity of the world.

Our Values: We embrace all the people of the world and belief in equality. And to cultivate a heart that beats with the pulsation of humanity.
